

## Hello RAD Camp family!

First, and most importantly, we miss you!!! We know this year has been A LOT to handle. We've been grateful to see some of your smiling faces during **RAD Remote** this summer, on social media, and when lucky, on Facetime or Zoom! While this year has been different than anything we could have all imagined, we are focusing on the silver lining and working towards our goal to grow **RAD** and bring more positivity to the world, especially now when it needs it more than ever. We wanted to take a quick minute to share a few updates with you!

Due to the pandemic, over the summer we paused our in-person camps and launched **RAD Remote**. We partied together on Zoom, had personal 2:1 connections in breakout rooms, danced in our living rooms and cheered our buddies on from a social distance in their driveway. We realized we CAN connect online and although we CANNOT WAIT to be back together in-person, we are also excited to keep the connection going online. **RAD Remote** will be a new offering in the summer for those campers who are on our waiting list, or who are medically fragile and unable to make it to Camp. We are excited to welcome a greater family into the **RAD Camp** family.

Everyone's health and safety is our top priority, so with that in mind, we are **officially postponing our October and January Weekenders**. Don't worry...we are bringing **RAD** into your homes with upcoming virtual events!!! We are **planning a Halloween event, Thanksgiving Run4RAD event and an extra fun Holiday Event!** These events will be the first of the **RAD Club**, another exciting new opportunity we are launching in 2021!

The **RAD Club** will be our year-long online program. You have asked for more connections to our community, and we are SO excited to fulfill that wish! The **RAD Club** will be an online membership that will include new recorded content each week, a monthly LIVE Zoom, a community initiative and more! This will be a membership based service and we can't wait to launch **RAD Club** in January! This will be an added service and will by no means replace the in-person camps... consider it your access to Camp and your Camp Family ALL YEAR LONG!!!

Now that the season has finally changed and there are so many exciting things to come, we have launched a new look and feel for **RAD...introducing our new RAD logo and color palette!!!** We are so excited about our new look and cannot wait to share more exciting announcements with you in the coming months, including **the launch of the RAD Club**.

With Halloween right around the corner, we are **hosting our FIRST CLUB EVENT, a Live Zoom for ALL to enjoy!** Learn how to register below. We hope you will join us in your best costume ready to celebrate a **RAD** Halloween!

This year has been a wild ride, and we hope that some of these new initiatives from **RAD Camp** will bring you excitement for all the fun to come. These hard times will pass, but in the meantime, let's continue to stay connected and **STAY RAD!** And of course, if we can do anything to help, please don't hesitate to ask. We are here for you, always.

Be RAD, Stay RAD!  
Katie and Megz
